Continuation of 3. NOTE: Claims 1, 9, and 17-19 contain new limitations and claim 20 is new, which requires further consideration and/or search. Also, Applicant references page 8 lines 13-22 as providing "explicitly supported" disclosure for the new limitations of the independent claims. However, there does not appear to be support for a knowledge of an ability of maintenance items to be installed. Further consideration is required. Further, Applicant has not pointed out where new limitations in claim 20 find support in the originally filed specification, and may introduce new matter.
